

Kisschasy, Ugly Birds In A Beautiful Cage

Laying in the dust
Feeling the cold
Take me if you must
But not for too long

[Chorus:]

'Cause I feel so safe hiding my face
Like ugly birds in a beautiful cage
A bad actress in a wonderful play
An ugly bird in a beautiful cage
And I will stay the same
I have plastic eyes
And a heart made of snow
I love swimming up high
And flying down low

[Chorus]

Just pull me out now
Oh will you just pull me out now?
'Cause I feel so safe hiding my face
Like ugly birds in a beautiful cage
A bad actress in a fucked up play
An ugly bird in a beautiful cage
And I will stay the same
