

Kissing The Pink, Maybe This Day

Maybe this day will be the happy day, when all my hopes will turn out right.

maybe this girl will be the lucky girl who'll come back with me tonight, tonight, tonight.

maybe this girl will be the lucky girl, or it will end in tears.

maybe she'll take me home, or make me run. She was bound to win.

She said "oh", "Oh", "Oh", Maybe this girl will dance with me "

Maybe tonight

Maybe tonight

maybe this day will be the happy day, when all my hopes will turn out right.

maybe this girl will be the lucky girl who'll come back with me tonight, tonight, tonight.

Tonight a lucky star will shine.

Tonight

Over the garden wall, she'll say "Let's go to bed";

"oh", "Oh", "Oh", Maybe this girl will dance with me "Oh"

Maybe tonight

Maybe tonight

Maybe tonight

Maybe tonight

Maybe this girl will dance with me.

Maybe this girl will...
