

KITTEN, Japanese Eyes

Where'd you get those gloves?
Got a lot of money
Where'd you get those ocean eyes?
My mom is Japanese
Is that the perfect bath
And the perfect sleepers
And where'd you get those ocean eyes?
My mom is Japanese
My mom is Japanese

Is this love, is this love love
Is this love I'm feeling
is this love or the wrecking ball
It's love, love, love I'm feeling
Is this love or the wrecking ball
Love of a rocking ball
What you doing down town?
Tryina skate or die
You'll never be a factory girl
Oh, don't ever brush your hair
Don't ever brush your hair

Is this love, is this love love
Is this love I'm feeling
is this love or the wrecking ball
It's love, love, love I'm feeling
is this love or the wrecking ball

Is this love, is this love love
Is this love I'm feeling
Is this love or the wrecking ball
Is this love, is this love love
Is this love I'm feeling?
Or the crush of the wave
Is this love or the wrecking ball
Ocean eyes?
Where'd you get those ocean eyes?
