

Kittie, Spit (live)

Coward!
Spit!
I think I'll spit!

For all those girls who speak contradiction
The guy who crept through the shadows every day
To clutch his own conclusion
Watch all the blood
As it drips from your veins
You coward
Godspeed
May your death come quickly

I think I'll take this hate and
Spit!
Spit!
Spit!

Now as it's passed onto the next one
I feel a bloodrush come right over me
You know you will never be right in the eyes
Of the ones who know
You trusted the devil
And she will betray you

Low..

Why do I get sh*t!
All the time!
From you* men!
You are swine!
You think dick is the answer
But it's not!
Why do I get sh*t!
All the time!
From you* men!
You are swine!
You think dick is the answer
But it's not!
