

Kitty Wells, All For The Love Of Sunshine

The darkness of my world was all cleared away

The flowers are blooming it's a beautiful day

There's a man with a heart as big as the sky he's sunshine and I know why

All for the love of sunshine all for the love of sunshine

The Lord smiled down on this life of mine and sent me the love of sunshine

Sunshine can always make my days seem bright sunshine can warm up a cold cold night

And all my sunshine was sent from above an angel that's filled with love

All for the love of sunshine...

The winter the springtime the summer and fall

The moonlight the starlight he outshines them all

In a world filled with fear with pain and such harm my sunshine can't be so warm

All for the love of sunshine...

All for the love of sunshine...
