

Kitty Wells, Coming On Strong

Coming on strong coming on strong I can feel the heartaches coming on strong

I can feel the teardrops the pain and sorrow

Ever since you've been gone they've been coming on strong

Pain come on in hello sorrow I see you're back again

Teardrops glad you dropped by cause you can help drown my pride

And since you're here the time seems to fly

To let you know you're gonna be with me till I lose my mind

You've been gone much too long and I can feel a heartache coming on strong

Only thing you left me was misery for company

And mem'ries of a love gone wrong that keep coming on strong

And mem'ries of a love gone wrong that keep coming on strong
