

Kitty Wells, Easily Persuaded

Lonely arms don't need temptation when they yearn constantly

I don't need much sweet persuasion I'm persuaded easily

I'm so easily persuaded when you insist what can I do

I'm so easily persuaded I can't resist loving you

[piano]

Just touch me and I'm yours completely but it hurts when you tease

So love me so that no other will persuade me easily

I'm so easily persuaded...
