

Kitty Wells, Everybody's Somebody's Fool

The tears I've cried for you could fill an ocean
But you don't care how many tears I've cried
And though you only leave me on and hurt me I couldn't bring myself to say goodbye

Cause everybody's somebody's fool everybody's somebody's baby
And there are all exceptions to the rule yes everybody's somebody's fool

I told myself it's best that I forget you though I'm a fool at least I know the score
Yes darling I may try to do without you it hurts but I come running back for more
Cause everybody's somebody's fool everybody's somebody's baby...

Someday you'll find someone you really care for
And if her love should prove to be untrue
You'll know how much this heart of mine is breaking
You'll cry for her the way I cried for you
Cause everybody's somebody's fool everybody's somebody's baby...
