FUNNY FACE

Writer Donna Fargo

Funny face don't leave me funny face believe me
My whole world's wrapped up in you
When the road I walk seems all up hill and the colors in my rainbow turn blue
You kiss the tears away you smile at me and say funny face (funny face) I love you
Funny face I love you funny face I need you
These are the sweetest words I've ever heard
Funny face don't leave me funny face believe me
My whole world's wrapped up in you
And when I hurt your feelings that I sometimes do
And I say those mean things that we know are not true
You forgive my childish way
You hold me close and say funny face (funny face) I love you
Funny face I love you...
Funny face I love you...
