FUNNY FACE

Writer Donna Fargo

Funny face don't leave me funny face believe me  
My whole world's wrapped up in you  
When the road I walk seems all up hill and the colors in my rainbow turn blue  
You kiss the tears away you smile at me and say funny face (funny face) I love you  
Funny face I love you funny face I need you  
These are the sweetest words I've ever heard  
Funny face don't leave me funny face believe me  
My whole world's wrapped up in you  
And when I hurt your feelings that I sometimes do  
And I say those mean things that we know are not true  
You forgive my childish way  
You hold me close and say funny face (funny face) I love you  
Funny face I love you...  
Funny face I love you...
