

# Kitty Wells, Heart Over Mind

I love you so much that I can't leave you even though my mind tells me I should

But then you make me think that you still love me

And all my thoughts of leaving do no good

You've got me heart over mind worried all the time

Knowing you will always be the same

You'll keep hurting me I know but I still can't let you go

Cause my heart won't let my love for you change

[ steel ]

Friends tell me they see you out with others and in my heart I try hard to forget

Then you come home and tell me you still love me

And I still hope there's some chance for us yet

You've got me heart over mind worried all the time...
