

Kitty Wells, Heavenly Sunshine

Heavenly sunshine heavenly sunshine you make me happy cause your love is mine

I've searched for words of sweet description too best described

The thrill it gives me just to have you by my side

But I can't find one single word that properly defines

How sweet it is just knowing that all your love is mine

Your love is heavenly sunshine heavenly sunshine

You fill my heart with your sweet love devine

Heavenly sunshine heavenly sunshine you make me happy cause your love is mine

The colors in a rainbow are a lovely sight to see

But even rainbows lose their glow when you smile at me

And when you kiss me I can hear a thousand bluebirds sing

No matter how that sounds the words could only mean one thing

Your love is heavenly sunshine...
