

Kitty Wells, Hundred Thousand Times

I know I've said I love you a hundred thousand times

They say when you're away from love it makes the love grow stronger

But I don't know for sure if I can't stand it any longer

I want you more and more each day you're always on my mind

I know I've said I love you a hundred thousand times

I watch the flowers drink the rain to help them with their growing

This is how I need your love to help me keep on going

I won't give up the hope I have if someday you'll be mine

I know I've said I love you a hundred thousand times

[steel]

They say when you're away...

I know I've said I love you a hundred thousand times
