

Kitty Wells, (I Didn't Have To) Break Up Someone's Home

You say you're sorry that it happened but you love him so
And you just had to have him for your own
Everybody needs someone you needed someone too
But did you have to break up someone's home
You say you make him happy but it hurts me so to know
You stole the love that once was mine alone
But don't you worry I've already found somebody new
And I didn't have to break up someone's home
So at least I won't have that on my conscience
It may not last but you can't say I'm wrong
You say you're proud of your new love well I'm proud of mine too
And I didn't have to break up someone's home
[steel]
So at least I won't have...
