

Kitty Wells, I Don't Care

I don't care if I'm not the first love you've known just so I'll be the last
I don't care if I'm not the first one you've kissed darling I'll never ask
Yesterday's gone just love me from now on be true to me forget about the past
I don't care if I'm not the first love you've known just so I'll be the last
[steel]
Yesterday's gone just love me...
