Kitty Wells, I Don't Want Your Money, I Want You

I DONT WANT YOUR MONEY (I WANT YOUR TIME) Writers Lee Washington, Red Wortham

I don't want your money, honey I just want your time A kiss that's bought with gifts and gold Just isn't worth a dime Don't offer me a string of pearls Or a penthouse so sublime I don't want your money, honey I just want your time I don't want your money, honey I just want your time The two of us, will ride the bus And up to the moon we'll climb You can't buy a single kiss As long as they are mine 'Cause I don't want your money, honey I just want your time I don't want your money, honey I just want your time Tho' I have a fling won't cost a thing No worries on our mind Don't want a great big diamond ring 'Cause I'm just not that kind I don't want your money, honey I just want your time
