

# Kitty Wells, I'll Always Be Your Fraulein

I'm that old German's daughter  
Far across deep, blue water  
I still live by the old river Rhine  
Where you loved me and told me  
That you loved me only  
You called me your pretty fraulein

(Chorus:)

If there's a doubt in your mind  
I'm still your fraulein  
And each night as the moon starts to shine  
Where you once held my hand  
I go there and stand  
I'll always be your fraulein

As the stars shine above me  
They tell me a story  
Of our love that was so divine  
As we walked by the river  
The two of us together  
You called me your pretty fraulein

(Repeat chorus)
