

# Kitty Wells, I'll Never Find Another You

There's a new world somewhere they call the Promised Land  
And I'll be there someday if you will hold my hand  
I still need you there beside me no matter what I do  
For I know I'll never find another you  
There is always someone to reach across they say  
And you'll be my someone forever and the day  
I could search the whole world over until my life is through  
But I know I'll never find another you  
It's a long long journey so stay by my side  
When I'll walk through the storm you'll be my guide be my guide  
If they gave me a fortune my pleasure would be small  
I could lose it all tomorrow and never mind at all  
But if I should lose your love dear I don't know what I'd do  
For I know I'll never find another you

But if I should lose your love dear...
