

Kitty Wells, I Love You More And More Everyday

I love you more and more every day

They said our love was just devotion that time would slowly fade away

But times just deepen my emotion I love you more and more every day

The day you made those tender vows beside me

My joy was more than words could ever say

And darling still it grows and grows inside me I love you more and more every day

[steel]

I love you more and more every day

The day you made...

I love you more and more every day
