

# Kitty Wells, I Won't Forget You

I know that I won't forget you for I've loved you too much for too long  
Though you don't want me now I'll still love you till the breath in my body is gone  
That's how it is with me and you'll always be the only love I ever knew  
I'll forget many things in my lifetime but my darling I won't forget you  
[ steel ]  
That's how it is with me...
