

Kitty Wells, Jesus Is Coming Soon

Jesus is coming soon Jesus is coming soon he tells us in his word to watch and pray

Jesus is coming soon Jesus is coming soon be ready for he may come today

We'll all meet together in the garden some sweet day

If we read and spread the gospel news

So let's all be ready so we can enter in oh don't be late he may take you today

Jesus is coming soon...

[guitar]

Don't take his love for granted as you travel through this world

Be thankful for the likes he's given you

So walk the straight and narrow for God's love is the way

Lift your eyes for heaven and pray every day

Jesus is coming soon...

Be ready for he may come today
