

Kitty Wells, Jesus Loved The Devil Out Of Me

Jesus loved the devil out of me yes Jesus loved the devil out of me

When he took me by the hand old Satan just gave up and ran

Jesus loved the devil out of me

Life for me was filled with sin and shame the devil had a plan to claim my name

But just before I crossed eternal line Jesus let no Satan --- mine

Jesus loved the devil out of me...

No wills to live my future looks so cold the devil stood there waiting for my soul

But just before I walked into his arms the king of kings my king of kings

Reached for my hand and saved me from all harm

Jesus loved the devil out of me...

Jesus loved the devil out of me...

Jesus loved the devil out of me...
