

# Kitty Wells, Jesus Take A Hold

[ Johnny ]

Like the ancient Roman empire this world is doin' to fall  
And it's much too bigger thing for mortal men  
Just take a look around and see the writing on the wall  
Somehow we've got to find a helping hand  
This world has never been in the awful shape it's in  
And people scorn the things our leaders do  
It's time the prayer was spoken from the heart of every man  
Jesus take a hold and lead us through

[ guitar ]

The mighty roar of gunfire is now a local sound  
And our city streets are filled with angry men  
Love is now a mockery throughout our troubled land  
And destruction seems to be the current trend  
This world has never been in the awful shape it's in  
And our leaders seem in doubt of what to do  
It's time the prayer was spoken from the heart of every man  
Jesus take a hold and lead us through Jesus take a hold and lead us through
