## Kitty Wells, Just For What I Am

Blue ain't just a word it's a feeling a feeling of loneliness that I can feel right now Love has looked at me but tried to change me I wished that love would take me just for what I am Just for what I am I want someone to love me Someone who won't expect me to feel like that old mem'ry Just for what they see just for being me I want someone to love me just for what I am

Cry ain't just a sound it's a sadness A sadness that lives with me and follows me around Love wants me to be someone I can't be I wished that love would take me just for what I am Just for what I am...

I want someone to love me just for what I am
