

Kitty Wells, Just When I Needed You

Just when I needed you you left and went away

You made my life so blue both night and day

You left me here behind with a troubled worried mind

So broken hearted too just when I needed you

I cried I cried I prayed I tried to forget you and never call your name

What a shame what a shame you're the one who was to blame

You're the one who proved untrue just when I needed you

[fiddle]

You said it's best we part and never love again

And though it broke my heart I'm oh so plain

You know I love you still and dear I always will

Although you proved untrue just when I needed you

I cried I cried I prayed I tried...

No matter where you wander no matter where you go

There's a longing in my heart for only you

I love you just the same and I want you back again

Although you proved untrue just when I needed you
