Kitty Wells, Lonesome Valley

Hark the voice of Jesus calling Come and work for Him today The fields are white and the harvest falling Come and work for Him today

CHORUS:

You've got to walk that lonesome valley You've got to go there by yourself There's no one here can go there with you You've got to go there by yourself

My mother told me when she was dying Just before her breath was gone My darling one, put trust in Jesus 'Fore I leave you here alone

REPEAT CHORUS

Some people say John was a Baptist Others say he was a Jew But the Holy Bible tells us That he was a preacher, too

REPEAT CHORUS
