

Kitty Wells, Love Is The Answer

Love love love is the answer love can bring our people back together

Love love love is the answer answer everybody's looking for

Everybody's talking bout the troubles of the world but no one can tell us what to do

I know a way to put a stop to all this bitterness

Here's the secret that I'll share with you

Love love love is the answer...

If you think you're ---

If that's the way you feel that's what you'll be

Just open up your heart and show the world the inner man

That your love shine out for all to see

Love love love is the answer...

Come to get the wisdom of the man from Galilee

He tries to show us all the better way

You can do your part by holding to the Golden Rule try a little kindness every day

Love love love is the answer...
