

Kitty Wells, My Happiness

(My happiness)

Evening shadows make me blue when each weary day is through

How I long to be with you my happiness

Everyday I reminisce dreaming of your tender kiss

Always thinking how I miss my happiness

A million years it seems have gone by since we've shared our dreams

But I'll hold you again there'll be no blue memories then

Where the skies are grey or blue anyplace on earth will do

Just as long as I'm with you my happiness

A million years it seems...
