

Kitty Wells, Open Up Your Heart (And Let The Sun

Open up your heart and let the sunshine in

My mother told me something that everyone should know

It's all about the devil and I learned to hate him so

She said he causes trouble when you let him in the room

He will never ever leave you if your heart is filled with bloom

So let the sunhine in patient with a grin smilers never lose and frowners never wins

So let the sunhine in patient with a grin open up your heart and let the sunshine in

[guitar]

When you are unhappy the devil wears a grin

But all he starts to running when the rain comes pouring in

I know he'll be unhappy cause I'll never wear a frown

Maybe if we keep on smiling he'll get tired of hanging round

So let the sunhine in...

[steel]

If I forget to say my prayers the devil jumps with plea

But all he keeps so awful when he sees me on my knees

So if you're full of trouble and you never seem to win

Just open up your heart and let the sunshine in

So let the sunhine in...
