

Kitty Wells, Thing Called Sadness

It's been here since you've been gone it's been hanging round too long

A thing called sadness not much of a friend when you walked out it walked in

In every chair where I sit down it follows me all over town

A thing called sadness not much of a friend when you walked out it walked in

What in the world am I gonna do this old friend can't take the place of you

It only brings back mem'ries of you and all the things that we used to do

In every chair where I sit...
