

Kitty Wells, This Divorce

This divorce you're asking me to give you I don't want to see it go through

This divorce will make you free and happy but it will leave me lonely and blue

I believe what God has brought together let no man put apart in the force

I believe that someday you'll be sorry that you've asked me for this divorce

[ac.guitar]

I do anything to save this marriage but I guess there is nothing I can do

But I dread the thought of tomorrow when I'd give this divorce dear to you

I believe what God has brought...
