

Kitty Wells, This Is It

Well this is it that day is here

That day I knew would come when you would leave me dear

Well here I sit while teardrops fall

And wonder why I care when you don't care at all

But I'm a fool that way from a way back when

A fool who take you back if you'd come back again

But this is it you're gone you're free you'll find another love but this is it for me

Well this is it that day is here it's no surprising yet I can't hold back the tears

Well here I sit and try to guess how such an empty room's so full of loneliness

Well even the clock has stopped somehow I guess you knew

That time's run out from me it's over it's all through

Yes this is it you're gone you're free you'll find another love but this is it for me
