

Kitty Wells, Wait A Little Longer Please Jesus

Wait a little longer please Jesus there are so many still wandering out in sin

Just a little longer please Jesus a few more days to get our loved ones in

Here the labor is so hard and the workers are so tired

And our weary hearts are yearning for a rest

And we find we're getting anxious to be in that happy land

Where we'll receive such peace and happiness

Wait a little longer please Jesus...

[ac.guitar]

We may look into the skies and tears will fill our eyes

When our burdened hearts grow heavier with each day

First we cry oh Lord please come come and take your children home

Then we look around and suddenly we say

Wait a little longer please Jesus...
