

Kitty Wells, Wait For The Light To Shine

[Johnny]

(Wait for the light to shine wait for the light to shine)

Pull yourself together and keep waiting for the sign wait for the light to shine

When the road is rocky and you're carrying a load wait for the light to shine

If you find your friendless on that weary lonesome road wait for the light to shine

Wait for the light to shine...

[piano]

Don't forget your brother as you travel through the land wait for the light to shine

He may be in trouble and may need a helping hand wait for the light to shine

Wait for the light to shine...

[steel]

If your life is empty and you're on your last go round wait for the light to shine

If you hear the chime bells on the highway you have found wait for the light to shine

Wait for the light to shine...

Wait for the light to shine
