

Kitty Wells, Where The Soul Never Dies

[Johnny Wright]

To Canaan's land I'm on my way where the soul of men never dies

My darkest night will turn today where the soul of men never dies

No sad farewell no tear dimmed eyes where all his love and the soul never dies

[piano]

A rose is bloomin' there for me where the soul of men never dies

And I will spend eternity where the soul of men never dies

No sad farewell no tear dimmed eyes where all is loved and the soul never dies

[steel]

I'm on my way to that fair land where the soul of men never dies

Where there will be no parting hand where the soul of men never dies

No sad farewell no tear dimmed eyes where all his love and the soul never dies
