

# Kix, Kix Are For Kids

She got love - More than I need  
She got love - She's making me weak  
I got heartache  
I got love smeared all over my face  
I got heartache  
She got love - She's making me weak  
Ya' see the teardrops rolling down my cheek  
I got heartache  
I got love smeared all over my face  
I got heartache - Oh wo  
(He's got heartache) Oh no  
(He's got heartache)  
(He's got heartache) Heartache  
She got love she's making me burn  
Like a fool ya' know I'll never learn  
She had heartbreak  
She said love you are my biggest mistake  
She had heartache  
Oh well she had heartache  
We had love - but I made her cry  
She caught me lying in an alibi  
She had heartbreak  
She said love you are my biggest mistake  
She had heartbreak - Oh wo  
(She had heartbreak) Oh no  
(She had heartbreak)  
(She had heartbreak) heartbreak  
I said love please make me strong  
i hope this drug don't last too long  
I got heartache  
I got love smeared all over my face  
I got heartache - all over my face yeah (Heartbreak)  
I said love don't let me down  
I'll make it up to you the next time around I got heartache  
i got love smeared all over the place  
I got heartache - Oh wo  
(He's got heartache) Oh no
