

# Kjartan Salvesen, Eye Of The Tiger (From The Norwegian Idol)

Risin' up, back on the street  
Did my time, took my chances  
Went the distance, now I'm back on my feet  
Just a man and his will to survive

So many times, it happens too fast  
You trade your passion for glory  
Don't lose your grip on the dreams of the past  
You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat  
Hangin' tough, stayin' hungry  
They stack the odds 'til we take to the street  
For the kill with the skill to survive

It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger

Risin' up, straight to the top  
Had the guts, got the glory  
Went the distance, now I'm not gonna stop  
Just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger

The eye of the tiger  
The eye of the tiger  
The eye of the tiger
