

# Klaatu, Knee Deep In Love

"Knee Deep In Love"

(John Woloschuk / Dino Tome)

Hello sweet Joan, so glad you're home  
Just called to say good-bye  
I'm leaving town, I'm bent and bound  
Don't try to change my mind  
You ask me why I'm leavin'  
But we both know the reason

You're knee deep in love  
Guess it's over and done for us, you and me  
You're knee deep in love  
But I'm not the one, I'm not the one I know ...

Isn't it strange how people change  
And slowly drift apart  
Like you and me, it had to be  
I've known it from the start  
You're trying not to show it  
But in my heart I know it

You're knee deep in love  
Guess it's over and done for us, you and me  
You're knee deep in love  
Oh but I'm not the one, I'm not the one I know cos' ...

It's in the way you hold me  
And in the lies you've told me  
Everything I do seems to  
Annoy you and displease you  
You never share your laughter  
And in the morning after you try to sweep me under your rug  
You don't have to say it  
You're knee deep in love  
Guess it's over and done for us, you and me  
You're knee deep in love but I'm not the one.
