"Silly Boys"

(John Woloschuck / Dee Long)

Right now if we wait for the opportunity
Then we would see the sun is reversing
Right now if we wait for the opportunity
Then we would see the sun is reversing

Ah plasticine walls forever and overly happy
With your aloof scene
Go off the ledge to snow
Wish them goodnight
Oh gorgeous madman
You are illuminated

Ah if he preached the words they beat on
And ignored him with their moral in lust
Whose four inch dagger
Blind your mothers eye to stop
Oh are you ugly
Silly boys love you

Yeah sit up they are armed with hooks
They will harm her
You are smashed with Ignace
Mark and enamour me
May I survive?
Ah Sir Army Suit
You are psychic

Silly boys, silly boys, we love you
Silly boys, silly boys, we love you
