

Klaatu, The Love Of A Woman

"The Love Of A Woman"
(John Woloschuk)

I need the love of a woman
That is all I want in the world
I need the love of a woman
Yeah that's all I'm asking of you girl

I hear the love of a woman
Can make your world seem okay
Without the love of a woman
Lord I just can't face another day

Because I'm tired of being so lonely
And you're constantly on my mind
So I ask you please
I'll get down on my knees
If you'll take me home tonight

No I don't want your money
And I don't want your car
I just wanna be wherever you are
I don't need no power
No fortune or fame
There's just one thing I need
Nothing else will do
And that one thing I need girl is you, you, you

I get so tired of being lonely
And you're constantly on my mind
So I ask you please
I'll get down on my knees
If you will take me home tonight

No I don't want your money
And I don't want your car
I just wanna be wherever you are
I don't need no power
No fortune or fame
There is just one thing I need
Nothing else will do
And that one thing I need girl is you, you, you

Because I'm lonely and I'm blue
But there's something you could do
Oh woman oh woman
Now ain't there something you could do
I need the love of a woman
