

Klark Kent, Don't Care

I am the hottest thing you ever will see
You know I'm something it ain't easy to be
I am the neatest thing that ever hit town
There isn't anything the could bring me down

Don't care
If you really wanna hang around
Don't care
'Cause I am the neatest thing in town
Don't care
If you really wanna stick around
I don't care
If you even wanna put me down

The girls are always trying to settle me down
They never guess I'm only fooling around
My only worry is my humility
It dampens all my heavy artillery

Don't care
If you really wanna hang around
Don't care
'Cause I am the neatest thing in town
Don't care
If you really wanna stick around
I don't care

If you even wanna put me down

Don't care No-no
Don't care No-no
Don't care No-no
Don't care No-no

You know I'm fooling with my fake ID
So you don't need to check my history
You know I'm something it ain't easy to be
There isn't anyone who I'd rather be

Don't care
If you really wanna hang around
Don't care
'Cause I am the neatest thing in town
Don't care
If you really wanna stick around
I don't care
If you even wanna put me down

Don't care No-no
'Cause I am the neatest thing in town
Don't care if you really wanna stick around
I don't care if you even wanna put me down
