Trustfall, baby
It's a trustfall, baby

Picture a place where it all doesn't hurt
Where everything's safe and it doesn't get worse, oh my
We see through bloodshot eyes

Picture a place somewhere else far away
Where you know what they mean and they mean what they say to us
And would that be enough?

Are we running out of time?
Are we hiding from the light?
Are we just too scared to fight for what we want tonight?

Close your eyes and leave it all behind
Go where love is on our side
It's a trustfall, baby
It's a trustfall, baby

You and I and everyone alive
We can run into the fire
It's a trustfall, baby
Yeah it's a trustfall, baby

Jump with me, come with me, burn like the sun
We'll talk then we'll cry then we'll laugh 'til we're done, oh my
It's like we're out our minds

We've been running for our lives
We've been hiding from the light
We've been far too scared to fight for what we want tonight

Close your eyes and leave it all behind
Go where love is on our side
It's a trustfall, baby
It's a trustfall, baby

You and I and everyone alive
We can run into the fire
It's a trustfall, baby
Yeah, it's a trustfall, baby

What if we just fall?
I'm not going without you
And you're not going alone
I fell so far till I found you
But you know what you know when you know
So I'm not going without you
And you're not going alone
'Cause you know when you know

Close your eyes and leave it all behind
Go where love is on our side
It's a trustfall, baby
It's a trustfall, baby

What if we just fall?
What if we just fall?
What if we just fall?
What if we just fall?

What if we just fall?
What if we just fall?

What if we just-
