

# Klaudia Kulawik, Maybe Today

This time, I will miss  
You cannot guess  
So I will wait  
Count the days  
Being patient  
By finally, this one time  
Look in your eyes a second longer

so maybe today  
someone will catch me  
in the rush of the day  
and won't let go  
embrace me so close  
that even in my dreams  
I won't go far

I don't wanna feel that it hurts  
I don't wanna know the other side  
so I'm just waiting  
I wish, I hope, I believe  
that it's in you  
the feeling name love

so maybe today  
someone will catch me  
in the rush of the day  
and won't let go  
embrace me so close  
that even in my dreams  
I won't go far

I don't wanna feel that it hurts  
I don't wanna know the other side  
so I'm just waiting  
I wish, I hope, I believe  
that it's in you  
the feeling name love
