

# Klaudia Kulawik, WOMAN PHENOMENALLY

pretty women  
they're immersing in lies  
I am not killed to build such impression  
an signs  
but when I starting telling  
they thing I am telling lies

I say  
the religion Is part of my hips  
astride and I stepping crap believe  
its fite in my eyes  
and ... in my deep  
whit the swing in my ways  
and hoy in my feet

I am a WOMAN PHENOMENALLY  
no you understand  
woman have some back  
Adam shout her drama  
has to talk real loud

when you see me passing  
it does to make you proud  
cause I am a woman  
I am a WOMAN PHENOMENALLY

then themes on tape  
what the see me  
they have to tried so much  
but the cannot touch my any mystery  
when I try to show them  
they say they still cannot see

I say  
the religion Is part of my hips  
astride and I stepping crap believe  
its fite in my eyes  
and ... in my deep  
whit the swing in my ways  
and hoy in my feet

I am a WOMAN PHENOMENALLY  
no you understand  
woman have some back  
Adam shout her drama  
has to talk real loud

when you see me passing  
it does to make you proud  
cause I am a woman
