

# Klaxons, Forgotten Works

The tomb crew bring sugar oil  
We'll meet at the mirrored statue  
Margaret my girl, standing on air  
That is my name. That is my name.

Light the bridges with the lantern,  
you know something's going to happen.

Light the bridges with the lantern,  
you know something's going to happen.

The tomb crew bring sugar oil  
We'll meet at the mirrored statue  
Margaret my girl, Standing on air  
That is my name. That is my name.

Light the bridges with the lantern,  
you know something's going to happen.

Light the bridges with the lantern,  
you know something's going to happen.

Light the bridges with the lantern,  
you know something's going to happen.

Light the bridges with the lantern,  
you know something's going to happen.

Tigers, in-boil  
Forgotten works

Tigers, in-boil  
Forgotten Works

Light the bridges with the lantern,  
you know something's going to happen.

Light the bridges with the lantern,  
you know something's going to happen.

Light the bridges with the lantern,  
you know something's going to happen.

Light the bridges with the lantern,  
you know something's going to happen.
