

Klaxons, Forgotten Worlds

The tomb crew bring sugar oil
We'll meet at the mirrored statue
Margaret my girl, standing on air
That is my name. That is my name.

Light the bridges with the lantern,
you know something's going to happen.

Light the bridges with the lantern,
you know something's going to happen.

The tomb crew bring sugar oil
We'll meet at the mirrored statue
Margaret my girl, Standing on air
That is my name. That is my name.

Light the bridges with the lantern,
you know something's going to happen.

Light the bridges with the lantern,
you know something's going to happen.

Light the bridges with the lantern,
you know something's going to happen.

Light the bridges with the lantern,
you know something's going to happen.

Tigers, in-boil
Forgotten works

Tigers, in-boil
Forgotten Works

Light the bridges with the lantern,
you know something's going to happen.

Light the bridges with the lantern,
you know something's going to happen.

Light the bridges with the lantern,
you know something's going to happen.

Light the bridges with the lantern,
you know something's going to happen.
