## Kleerup, Until We Bleed

I'm naked I'm numb I'm stupid I'm staying And if Cupid's got a gun, then he's shootin'

Lights black Heads bang You're my drug We live it You're drunk, you need it Real love, I'll give it

So we're bound to linger on We drink the fatal drop Then love until we bleed Then fall apart in parts

You wasted your times On my heart You've burned And if bridges gotta fall, then you'll fall, too

Doors slam Lights black You're gone Come back Stay gone Stay clean I need you to need me

So we're bound to linger on We drink the fatal drop Then love until we bleed Then fall apart in parts

Now we're bound to linger on We drink the fatal drop Then love until we bleed Then fall apart in parts
