

Kleerup, With Every Heartbeat

Maybe we could make it alright
We could make it better sometime
Maybe we could make it happen baby

We could keep trying, but things will never change
So I don't look back
Still I am dying with every step I take
But I don't look back

Just a little little bit better
Good enough to waste some time
Tell me would it make you happy baby?

We could keep trying, but things will never change
So I don't look back
Still I am dying with every step I take
But I don't look back.

We could keep trying, but things will never change
So I don't look back
Still I am dying with every step I take
But I don't look back

And it hurts with every heartbeat

And it hurts with every heartbeat

And it hurts with every heartbeat

And it hurts with every heartbeat

And it hurts with every heartbeat

And it hurts with every heartbeat
