

# Klingande, Pumped Up

All the other kids with the pumped up kicks  
You better run, better run, outrun my gun?

i know a story about boy  
about a boy I used to know  
it's kind of funny  
you'd never guess  
as he smokes a cigarette

I used to lie  
I couldn't've shown this kid the road  
follow the lines  
instead of doing this alone  
and he was singing

All the other kids with the pumped up kicks  
You better run, better run, outrun my gun?  
All the other kids with the pumped up kicks  
You better run, better run, outrun my gun?

I saw his face from behind the door  
a look so pure, I couldn't sworn  
it's not so funny  
it's just a mess  
another cowboy in distress

I used to lie  
I couldn't've shown this kid the road  
follow the lines  
instead of doing this alone  
and he was singing

All the other kids with the pumped up kicks  
You better run, better run, outrun my gun?
