

Klingande, Pumped Up

All the other kids with the pumped up kicks
You better run, better run, outrun my gun?

i know a story about boy
about a boy I used to know
it's kind of funny
you'd never guess
as he smokes a cigarette

I used to lie
I couldn't've shown this kid the road
follow the lines
instead of doing this alone
and he was singing

All the other kids with the pumped up kicks
You better run, better run, outrun my gun?
All the other kids with the pumped up kicks
You better run, better run, outrun my gun?

I saw his face from behind the door
a look so pure, I couldn't sworn
it's not so funny
it's just a mess
another cowboy in distress

I used to lie
I couldn't've shown this kid the road
follow the lines
instead of doing this alone
and he was singing

All the other kids with the pumped up kicks
You better run, better run, outrun my gun?
All the other kids with the pumped up kicks
You better run, better run, outrun my gun?
